■DISK FINISH: MATTE BLACK POLISH

■INCLUDES: Air Valve, Special Center Cap (Only for certain sizes)

■NUT HOLE DIAMETER: φ32

■For sizes that do not come with a dedicated cap, the WRV cap (sold separately) can be used.

※16 X 7.0J or 17 X 7.0J wheel has bigger bolt hole diameter (φ 14.5) to support 1/2 pitch hub bolt.  
The vehicles with M12 hub bolts such as domestic cars have to use hub color rings.
